JONATHAN OFF TO NATIONALS

The club is so proud of Jonathan Wu and Caden Chen and their impressive performances at the 2022 Skate Canada Challenge in December. Although already quite the feat, Jonathan also qualified for the 2022 Canadian Tire National Skating Championships which is being held in Ottawa. The competition will be taking place from January 06 – 13, 2022 and the Junior event will be livestreamed on the event page as well as Skate Canada's Dailymotion. Full details and event schedule are available on www.skatecanada.ca. Thanks to all our Sungod members and the community for their support, as well as a special thanks to Tom Edwards Personal Real Estate Corporation for the generous donation. Jonathan would also like to extend his thanks to everyone who has helped him to achieve this opportunity!

PRESENTATIONS AND CELEBRATIONS

December 17th was a day full of wonderful X-mas performances and celebrations. The skaters donned their festive outfits and presented various routines that they had prepared over the previous weeks. Skaters from Academy to Senior participated in this free event and the club was fortunate enough to be able to allow an in-person audience in the arena! For those who were not available to join on the day the performances were filmed and are up on the Sungod

Skating Club YouTube channel. Some skaters were also presented their medals from the last few competition events at the recital. Great job, skaters! After the performances, there was a free family skate with for all who attended. There was even an extra special visitor all the way from the North Pole!

NEW ROLES IN THE NEW YEAR

It is with great sadness that the Sungod Skating Club recognizes that Harman Sidhu has stepped down from her role as the Club President this December. Harman has been a member of the club since 2010 when her daughter, Pareena, first joined the CanSkate program here. In 2011, Harman then took on the Executive Board as a member at large in charge of publicity. From 2013 to 2015 she was Vice President and then in 2015 she was elected to the role of President which she continued as until now. In her time with the sport of figure skating she also had the opportunity to be the Chair for the BC Coast Regional WinterSkate competition and as the Ice Show Chair for several of our own Sungod Skating Club ice shows. Harman will continue on as the Past President until the AGM in Spring of 2022, and so the club is lucky enough to have her guidance a bit longer on top of her 10 years with us! We will all miss you greatly Harman!

A word from Harman: "I am extremely grateful and humbled by everyone's warm words and support. I wish all the best to Sungod Skating Club members, coaches, and executive board. Wishing you all a prosperous, healthy, and happy new year!"

We would also like to give a warm welcome to Ronnie Perkins in her new role as the Club President and wish you all the best of luck!

Please note:

Parent Viewing Week for January has been unfortunately cancelled due to the changing PHO regulations surrounding Covid-19, however Parent Viewing will be permitted at the simulation on January 28! We hope to have Parent Viewing Week return in February.
