CANSKATE BACK AT SUNGOD IN SEPTMEBER

Starting September 7th, the Fall season will begin back at Sungod Recreation Centre. We are excited to announce that due to Canada's excellent response to the pandemic skating clubs are able to bring back the CanSkate program as well as the Academy programs with limited capacity. CanSkate will run from Stage 2 and above beginning on September

20th! As in previous years, there will not be any skate or helmet rentals available, and a CSA-approved helmet is required to participate in CanSkate programs. Please keep an eye out on social media for the general registration announcement, coming soon!

FALL DISCOUNTS

The club has been able to bring back discounts this season for participants enrolling in 3 or more programs! The higher number of programs will indicate a higher level of discount. Please also note that all dryland is a separate registration to the on-ice programs this season. The programs will be listed in the registration as the session and then the corresponding off-ice (ex: Session B, Session B Off-Ice). All skaters should register on separate invoices for Fall 2020.

FALL SCHEDULE CHANGE - SEPTEMBER 13

Please note that September 13 is the first Sunday of the Fall 2020 season and will have a different schedule! There will be no CanSkate on this date and all programs that follow will be moved up to begin at 9:45 am following the CanSkate Workshop for coaches and program assistants.

PARENT MEETING ON ZOOM

Wednesday
September 2, 2020
7:00 – 8:00 pm

The meeting will have important and valuable information as we prepare for our next "new normal" in the Fall program for all families Academy and above.

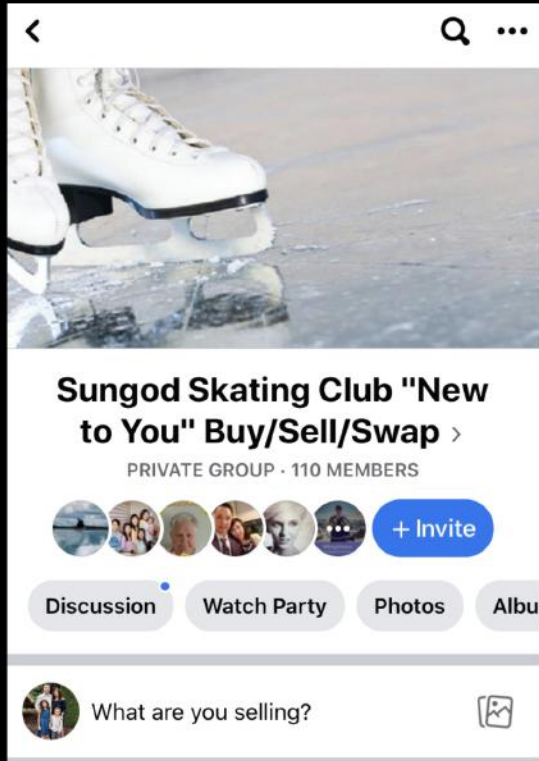

Do not forget to register for your spot and secure your attendance at the meeting by registering for the meeting on Uplifter in Workshops and Simulations.

BUY, SELL, SWAP

In light of the current situation, we will not be hosting our annual skate sale this year. If you are interested in buying/selling items please go to the Sungod Skating Club "New to You" Buy/Sell/Swap! This site operates year around and is a great place to buy/sell used items that have a nexus to the sport of figure skating.

THANK YOU, TILBURY ICE!

A huge thank you to the City of Delta and Tilbury Ice for allowing the Sungod skating Club to partake in use of the facility for the whole summer season as well as the August bridge ice. The entire membership is truly grateful to have been able to use the facility to run our programs for the last few months, and it would not have been possible without the help of all the workers and city officials who helped keep us safe and informed. Thank you!

BEST PROTOCOL WINNERS

The skaters from Session C & D won the best protocol for the Summer, entering and exiting the arena swiftly and safely every single time! They remembered their designated spots, remembered to always wash their hands, and always wore their masks when required. Great job, skaters!
